Dear Radnor Day Camp Parents/Guardians,

I hope this message finds you having a great summer and your camper enjoying their time at Radnor Day Camp! We know you value your child's camp experience and we want to ensure it is a positive one! The purpose for this letter is to offer you the opportunity to give input on our program along with providing you with some helpful information for next summer.

Please complete and return the enclosed Camp Evaluation Form in the paid return envelope that has been provided. If you do not wish to complete the form, please feel free to send an email to tcohen@radnor.org to tell us more about your experience. Your feedback is very important to us in helping to make the Radnor Day Camp all that it can be!

In 2016, Radnor Day Camp will be celebrating 75 Years! In order to better plan for next summer, we want to make you aware of some changes that will be implemented along with general reminders:

Registration for the summer 2016 will open in January and program details will be available at our website. Please look for early bird registration discounts that will be available for limited time only! We will email you the 2016 program information, so if your contact email address changes, please reach out to us with an update. Next year, our registration period will end by June 1, 2016 and our camp groups will have a limited amount of spaces available, so we cannot stress enough to register early! If your camper will be entering 7th and 8th grade at the time of registration, we have an excellent Leadership-in-Training Program that includes responsibilities in leading younger campers and an opportunity for interactive development.

Because every camper situation is different, we also ask that you contact us early so we can best prepare for you. The more information we have on how to accommodate your child, the more successful we will be.

We take special satisfaction in bringing unforgettable memories to the campers who attend Radnor Day Camp each summer. Our goal each summer is to create an environment in which each camper feels safe to learn, grow, and be happy. Radnor Day Camp is proud of its solid reputation as a camp that meets the various needs of its campers!

We would like to extend our sincerest "Thanks!" to the Radnor Township School District, with which we work very closely in a variety of ways to coordinate Radnor Day Camp; to all of the wonderful staff at Radnor Day Camp; and finally, to all of you for joining us! Have a great rest of your summer and we hope to see you again in 2016!

Sincerely,

RADNOR DAY CAMP SUMMER 2015

(Including LIT Program on reverse side)

Dear Parents / Guardians,

I'd like to take this opportunity to thank you for sending your camper to Radnor Day Camp this summer. Our staff has worked hard to ensure that your camper has had a memorable summer. As Director, I try to engage the parents in conversations which allow us to drive the next summer forward. Parent conversations in the past have helped us make changes to our camp that maximize every camper's experience. I strongly encourage you to take a few minutes to complete this short questionnaire about your child's camp experience this summer. Each year as we plan ahead for the next session, we use the information you provide to help us evaluate our program. Your suggestions as well as any comments about camp highlights will greatly benefit our program moving forward.

Sincerely,

Radnor Recreation & Community Programming Department, Kate Jeffries, Camp Director, and Radnor Day Camp Staff
