Re: Food/Beverage Concessions

In order to have your temporary event run smoothly and to minimize the possibility of **FOODBORNE ILLNESS OR OUTBREAK** this information has been developed to help you and your concessionaires. Please contact me after you have gone through it, if you have any questions. I will be very glad to help you with your plans.

Attached you will find:

- 1) The coordinator's list of **ALL** concessionaires participating, each food/beverage item being offered. This list should be prepared by **THE COORDINATOR** and submitted to this office as soon as possible.
- 2) Accompanying the list of concessionaires you must submit a drawing of the layout of the event designating where each food booth will be stationed.
- 3) Provide Menu and sketch of stand (form attached).

Please inform each of the concessionaires not licensed by Radnor Township that they must have a current, valid food establishment license from the Municipality or County where they are located when they submit their application. (Obviously, all Radnor Township food establishments will already have their license on file in this office). Any concession not meeting the requirements of Radnor Township will not be allowed to operate during the event.

- 4) The temporary event application, which shall be filled out by each food/beverage concessionaire as soon as possible. A ~~\$125.00 fee~~ must accompany each concessionaire's application **(FEE WAIVED FOR EVENT)**. All Concessionaires must turn in completed Temporary Event Applications to the Event Coordinator along with the fee. The Event Coordinator will submit all applications to the Health Officer for processing. "NO" Temporary Event Applications will be accepted from the Concessionaire by the Health Officer.
- 5) ~~A \$250.00 Special Event Sponsor Fee is required two weeks prior to the event. (Event Coordinator only)~~
