[Encke Park Playground Dedication]

The playground at Encke Park was installed and opened since the fall of 2014. We are honored to present and share with you information regarding this new and exciting facility.

- ◆ Tammy Cohen– Director of Recreation & Community Programming
- ◆ Board of Commissioners
- ◆ Robert Zienkowski– Township Manager
- ◆ Parks & Recreation Board Members
- ◆ Stephen Norcini– Director of Public Works
- ◆ Radnor Wayne Little League

[Encke Park Sign Unveiling]

The installation of our brand new sign at Encke Park has just recently been completed in time for our annual Night at the Ballpark event! We are honored to present and share with you information regarding this new, state of the art sign.

- ◆ Tammy Cohen– Director of Recreation & Community Programming
- ◆ Board of Commissioners
- ◆ Robert Zienkowski– Township Manager
- ◆ Parks & Recreation Board Members
- ◆ Stephen Norcini– Director of Public Works
- ◆ Radnor Wayne Little League

In the mid-1940's, Encke Park was the site of the Radnor Township Sewage Plant. When the plant was phased out, the land was filled in and made a park site. The Township purchased the land in 1965. Formerly called Iven Field, the park was renamed to honor Ethel G. Encke in 1974. Encke was the founder of the Radnor Recreation Department and ran the department before there was a formal director. She retired in 1972 after serving the Radnor Township School District for 44 years as a physical education teacher and coach. The 10.7 acre parcel of Encke Park also comprises the Township Building and Radnor Skate Park.

Thank you for joining us at our Annual Night at the Ballpark! Please stick around to watch the Phillies take on the Blue Jays, meet the Phillie Phanatic, and enjoy a marvelous fireworks display!
