INTEROFFICE MEMORANDUM

TO: BOARD OF COMMISSIONERS
FROM: WILLIAM M. WHITE, FINANCE DIRECTOR 
SUBJECT: MARCH MONTHLY FINANCIAL REPORT
DATE: 4/29/2014
CC: ROBERT A. ZIENKOWSKI, TOWNSHIP MANAGER

Executive Summary

The first quarter of 2014 was highlighted by the series of winter storms. As you can imagine, those storms had a significant impact to the Township's budget. In total, the winter storms that relentlessly hit the Township through early March cost the Township in excess of \$726,608. Specific to the budget, the table below reflects the costs incurred as compared to the budget for those particular line items:

Department	Description of Costs Incurred	2014 Full Year Budget	2014 Year to Date	Variance (to date)
Public Works	Snow and Ice Removal (Salt / Supplies)	288,159	508,758	(220,599)
Emergency Mgmt.	Staff Time, Overtime, Contr. Svcs, Supplies	-	217,850	(217,850)
Total		\$288,159	\$726,608	(438,449)

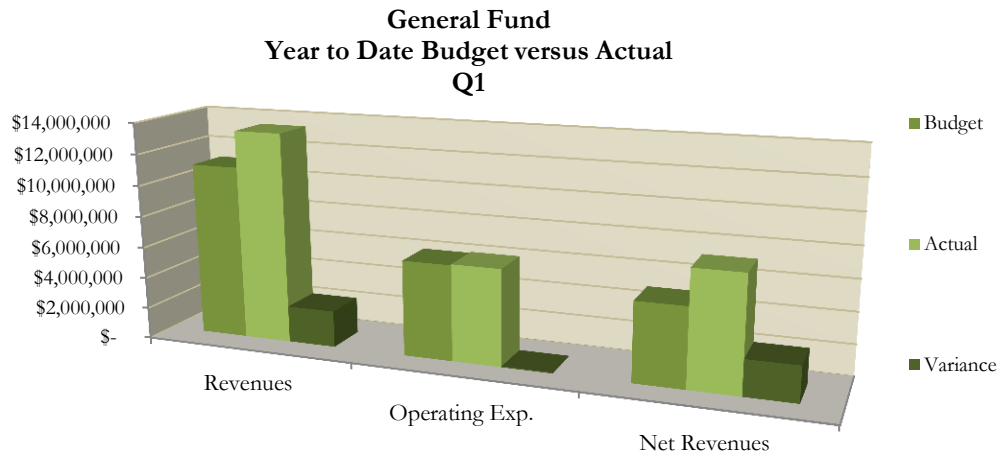

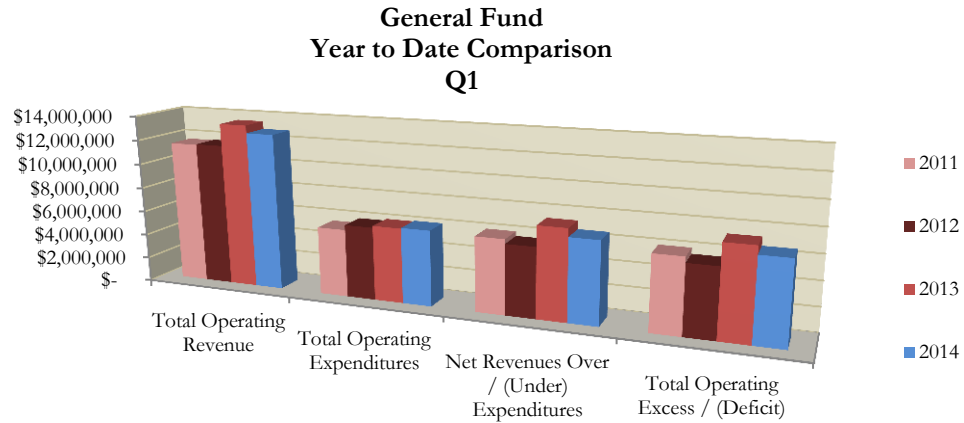

In terms of General Fund revenue, actual activity has out-paced expectations. Specifically, real estate taxes, which is the largest single revenue source, is 5% ahead of expectations to-date, with 80% of the full budget collected. Business taxes, which include the business privilege, mercantile, and local service is up considerably over prior years¹ and year-to-date expectations. However, it's important to stress that the business privilege and mercantile taxes are not due until May 15th. As such, past years' activity is not a good indicator of future results. Non-tax revenues, which include permits/ licenses, fines, interest, and departmental earnings, are up \$179,000 or 15% over 2013, and are currently trending ahead of 2014 year-to-date estimates by \$39,000 or 3%. In summary, while Mother Nature has caused expenditures in the general fund to spike in February and March, revenues are tending ahead of the curve to help offset those cost increases.

In terms of General Fund expenditures, activity is up over 2013 by \$55,505 or 0.9%, which *include* those emergency management and salt expenditures. Actual expenditures, in total, are coming in slightly higher than budgeted to-date at \$66,328 or 1.1%. Keep in mind that includes the costs of the winter storms. In other words, expenses not associated with the winter weather have come in well under what was budgeted to-date, which has kept the year-to-date budget impact in total close to expectations.

¹ In comparing the 2014 business privilege tax revenue to-date to the 2013 revenue to-date, the one-time payment of \$1,500,000 from a taxpayer made in January 2013 was not included. The resulting comparison is 2013 \$322,259 vs. 2014 \$1,152,725
