TABLE OF CONTENTS

Executive Summary	i
Section 1 – Introduction	1-1
Section 2 – Environmental & Natural Resources	2-1
A. Introduction and Statement of Goals	2-1
1. Goals and Objectives	2-1
B. Earth Resources	2-2
1. Geology	2-2
Geologic Formations in the Township	2-2
2. Physiography	2-3
Hydrogeology and Watersheds	2-3
3. Soil	2-8
Hydrologic Soil Groups	2-8
4. Planning Issues	2-11
C. Water Resources	2-12
1. Surface Waters: Streams and Major Tributaries	2-12
Historic Streams	2-13
Buried and Channelized Streams	2-13
Stream Order	2-14
2. Floodplains, Riparian Zones, Riparian Buffers	2-19
Floodplain/Riparian Zone Encroached Area Analysis	2-20
3. Wetlands	2-24
4. Water Quantity	2-26
Impervious Cover Analysis	2-26
5. Water Quality	2-29
State Stream Classifications	2-30
D. Biological Resources	2-32
1. Aquatic Biota	2-32
Aquatic Biota Sampling	2-33
2. Terrestrial Biota	2-35
3. Pennsylvania Natural Diversity Inventory	2-36
4. Significant Habitat Areas in Radnor Township:	
Landscape Ecology and Conservation Biology Principles	2-40
E. Air Quality	2-42
F. Recommended Actions	2-43
Section 3 – Housing, Demographics, and Socioeconomics	3-1
A. Introduction and Statement of Goals	3-1
1. Goals and Objectives	3-1
B. Demographics and Socioeconomics	3-2
1. Population Trends	3-2
C. Population Characteristics	3-4
1. Age	3-4

2.	Race and Ethnicity	3-5
3.	Educational Attainment	3-6
4.	Employment and Income Characteristics	3-6
D.	Housing: Existing Conditions Affecting Radnor’s Housing System	3-10
1.	Recent Residential and Other Land Development Activity in Radnor	3-10
2.	Housing Occupancy	3-13
3.	Housing Vacancy	3-14
4.	Household Size	3-14
5.	Characteristics of Recent Land Development Activity	3-15
E.	Critical Housing Market Dynamics for Radnor’s Future	3-18
1.	Changing Radnor Demographics and Changing Households: Issues of Demand	3-18
2.	Undeveloped Land and Underdeveloped Land and Re-Development of Developed- Land: Issues of Changes in Housing Supply in the Future	3-19
	Undeveloped Land and Change in Housing Stock	3-19
	Underdeveloped Land and Changes in Housing Stock	3-20
	Re-Development of Developed Land and Changes in Housing Stock	3-20
F.	“Fair Share” Issues	3-21
G.	Recommended Actions	3-22
Section 4 – Business and Economic Development		4-1
A.	Introduction and Statement of Goals	4-1
1.	Goals and Objectives	4-1
2.	U.S. Census Data	4-2
3.	Radnor Commercial Districts	4-3
4.	Trends in the Wayne Business District	4-6
B.	Business and Economic Development Goals, Issues, and Strategies	4-6
1.	Wayne Business District	4-6
2.	Other Commercial Districts	4-11
3.	Business Development Policy	4-12
C.	Recommended Actions	4-13
Section 5 – Transportation and Circulation Plan		5-1
A.	Introduction and Statement of Goals	5-1
1.	Goals	5-1
B.	Road Network	5-2
1.	Current Roadway Inventory	5-3
	Current Functional Classification of Roadways	5-4
	Future Functional Classification of Roadways	5-6
2.	Traffic Volumes and Operating Conditions	5-7
	Current Traffic Volumes	5-7
	Future Traffic Volumes	5-8
	Intersection Capacity	5-8
	Current Levels of Service	5-9
	Planned Short-term Improvements	5-10
	Future Levels of Service	5-12

Planned Long-term Improvements	5-12
3. Accident Locations and Deficient Roadway Conditions	5-15
Planned Safety Improvements	5-15
4. Regional Influences	5-15
C. Transit	5-16
1. Current Transit Services	5-16
2. Future Transit Services	5-18
D. Multi-modal Facilities	5-19
1. Pedestrian Facilities	5-19
2. Bicycle Facilities	5-20
Planned Improvements	5-20
3. Scenic Roads	5-21
E. Parking	5-24
1. Parking Study, Wayne Business District, January 2001	5-24
F. Highway Project Funding	5-25
G. Access Management Program	5-29
H. Traffic Calming	5-32
I. Recommended Actions	5-34
Section 6 – Open Space and Recreation	6-1
A. Introduction and Statement of Goals	6-1
1. Goals and Objectives	6-1
2. Open Space and Recreation as Community Infrastructure	6-2
B. Existing Open Space Resources	6-4
1. Public Lands / Recreational Resources	6-4
2. Standards for Community Park Land	6-5
3. Trails and Open Space Linkages	6-6
4. Privately (Temporarily) Protected Lands	6-6
5. Existing Recreation Programs	6-7
Summer Recreational Programs	6-7
Other Programs	6-8
6. Radnor Township Parks and Recreation Survey	6-8
C. Recreation and Open Space Focus Group	6-9
D. Recommended Actions	6-10
Section 7 – Historical and Archaeological Resources	7-1
A. Introduction and Statement of Goals	7-1
1. A Brief History of Radnor Township	7-1
2. Inventory of Radnor Township Historic Resources	7-2
3. State and Federal Role in Protecting Historic Resources	7-5
4. Radnor Township Grant for Additional Historic Resources	7-7
B. Archaeological Resources	7-8
1. Delaware County Archaeological Resource Inventory and Management Plan	7-9
C. Management Tools for Historic and Archaeological Resources	7-10
1. Historic Resources Zoning Overlay/Ordinance	7-10
2. Historical Commission	7-10

3.	Act 167 Historic District	7-10
4.	Historic Resources Protection Plan	7-11
5.	Grants and Other Resources Available	7-11
D.	Recommended Actions	7-12
Section 8 – Institutional Use		8-1
A.	Introduction and Statement of Goals	8-1
1.	Goals and Objectives	8-1
B.	Institutions in Radnor Township	8-4
1.	Major Institutions	8-4
2.	Minor Institutions	8-7
C.	Recommended Actions	8-10
Section 9 – Community Services and Facilities		9-1
A.	Introduction and Statement of Goals	9-1
1.	Goals and Objectives	9-1
B.	Services	9-1
1.	Police Protection	9-1
2.	Fire and Emergency Services	9-3
3.	Public Works Department	9-4
	Sanitary Sewer Maintenance Division	9-4
	Solid Waste Collection and Recycling Division	9-5
4.	Township Municipal Building	9-5
C.	Facilities	9-5
1.	The Memorial Library of Radnor Township	9-5
2.	Post Office	9-6
3.	Radnor Township School District	9-7
4.	Other Services	9-9
	Wayne Senior Center	9-9
	Wayne Art Center	9-9
	Women’s Resource Center	9-9
D.	Recommended Actions	9-10
Section 10 – Existing Land Use and Land Use Plan		10-1
A.	Introduction and Statement of Goals	10-1
1.	Goals and Objectives	10-1
B.	Existing Land Use	10-2
1.	Existing Land Use Mapping Methodology	10-6
2.	Existing Land Use and Existing Zoning	10-8
3.	Development Potential of Radnor Township	10-10
C.	Land Use and Planning Issues in Adjacent Municipalities	10-12
D.	The Radnor Township Land Use Plan: Recommended Actions	10-15
1.	Introduction	10-15
2.	The Vision Plan for the Wayne Business District: Recommended Actions	10-17
3.	Planning for Radnor Township Neighborhood Conservation: Recommended Actions	10-23

Methodology for Neighborhood Identification	10-24
4. Recommended Actions	10-28
Section 11 – Implementation	11-1
A. General Mechanisms for Comprehensive Plan Implementation: Specific Municipalities Planning Code Provisions	11-1
B. Formation of Planning Commission Sub-Committee for Plan: Implementation Progress Monitoring	11-1
1. Comprehensive Plan Implementation Task Force	11-1
Work Scope for the Task Force	11-2
C. Goals, Objectives, and Recommended Actions	11-4
1. Environmental & Natural Resources	11-5
2. Housing, Demographics, and Socioeconomics	11-8
3. Business and Economic Development	11-10
4. Transportation and Circulation Plan	11-13
5. Open Space and Recreation	11-20
6. Historical and Archaeological Resources	11-25
7. Institutional Use	11-26
8. Community Services and Facilities	11-28
9. Existing Land Use and Land Use Plan	11-30
Appendix A – Environmental Resources	A-1
A-1. Water Resources – Quantity	A-1
A-2. Water Resources – Quality	A-13
A-3. Air Quality	A-16
Appendix B – Transportation and Circulation	B-1
(Available in hardcopy at Radnor Township building)	
Appendix C – Open Space and Recreation	C-1
(Available in hardcopy at Radnor Township building)	
Appendix D- Historical and Archaeological Resources	D-1
B-1. Detailed Site Descriptions	D-1
B-2. Radnor Friends Area Description	D-11
B-3. Delaware County Planning Department - Preservation Toolbox Synopsis	D-16
Appendix E – Business Inventory	E-1
