**AMENDED AND RESTATED INTERGOVERNMENTAL COOPERATION
AGREEMENT**

This Amended and Restated Intergovernmental Cooperation Agreement ("Agreement") is made and entered into as of this 7th day of April, 2009 ("Effective Date") by and among the MUNICIPAL UTILITY ALLIANCE, a Pennsylvania non-profit corporation with a principal office located at 414 North Second Street, Harrisburg, Pennsylvania 17101 (the "MUA"), and Lower Paxton, a Pennsylvania Township of the Second class, (the "Lead Local Government"), and each local government or municipal authority located in the Commonwealth of Pennsylvania that joins in this Agreement by the execution of a Joinder in the form attached to this Agreement as Exhibit A (each, an "Agency", and collectively, "Agencies").

BACKGROUND:

- A. Federal and state laws now in effect have resulted in deregulation of the markets for electrical power and other utility products and services, thereby making available to local governments and municipal authorities favorable pricing through joint purchasing of utility products and services in volume.
- B. A joint purchasing program may result in favorable pricing through use by local governments and municipal authorities of a bidding and purchasing consultant.
- C. The MUA was created by the Pennsylvania League of Cities and Municipalities for the specific purpose of acting as a consultant for local governments and municipal authorities in the bidding and purchasing of utility products and services.
- D. The Pennsylvania Intergovernmental Cooperation Act, 53 Pa. C.S. § 2301 *et seq.* (the "IGCA"), provides, *inter alia*, that two or more local governments in Pennsylvania may jointly cooperate with each other in the exercise or performance of their respective governmental functions, powers or responsibilities; and that such local governments so cooperating shall enter into joint agreements as deemed appropriate for such purposes.
- E. Municipal authorities are authorized to cooperate with other governmental units in the area of procurement under Chapter 19 of the Commonwealth Procurement Code, 62 Pa. C.S. § 1901 *et seq.* (the "Code"), and the Pennsylvania Municipality Authorities Act, 53 Pa. C.S. § 5601 *et seq.* (the "Authorities Act").
- F. The MUA and several Agencies have entered into an Intergovernmental Cooperation Agreement dated July 9, 1998, under which the MUA acts as such Agencies' consultant in the bidding and purchasing of utility products and services (the "Prior Agreement").

G. In view of impending changes in the market for electrical power in Pennsylvania, including removal of existing price caps, the MUA, the Lead Local Government and the Agencies desire to amend and restate the Prior Agreement in accordance with the terms and conditions set forth in this Agreement.

NOW, THEREFORE, in consideration of these premises, and intending to be legally bound hereby, the MUA, the Lead Local Government and the Agencies covenant and agree as follows:

1. Incorporation of Recitals. The recital paragraphs set forth above are hereby incorporated in this Agreement by this reference and shall, for all purposes, be a part hereof.

2. Amendment and Restatement.

(a) Upon joinder in the execution of this Agreement (pursuant to Section 10 hereof) by any Agency that is a party to the Prior Agreement, the Prior Agreement shall terminate and be of no further force or effect, and shall be superseded in its entirety by this Agreement, as between the MUA and such Agency.

(b) The failure of an Agency to have executed the Prior Agreement, as described in Section 2(a) hereof, shall not prevent any Agency that is not a party to the Prior Agreement from joining in the execution of this Agreement.

3. Permitted Participants. Any "local government" as defined in § 2302 of the IGCA or "authority" as defined in § 5602 of the Authorities Act shall be permitted to join in this Agreement as an Agency.

4. Designation of MUA as Consultant. The MUA is hereby designated, and hereby accepts the designation, as the representative of and consultant to the Agencies in the bidding and purchasing of utility products and services (the "Program"), subject to the terms and conditions of this Agreement. The utility products and services under the Program will include electric power, and may also include telecommunications, energy conservation, natural gas, heating oil, or such other products and services, as authorized by the by-laws and resolutions of the MUA (the "Services").

5. Limited Authority of MUA.

(a) The MUA shall at all times act solely as the Agencies' representative and consultant with respect to the implementation and operation of the Program. The MUA shall have no authority to act as an "aggregator", "market aggregator", "broker" or "marketer" as those terms are defined in the Pennsylvania Electricity Generation Customer Choice and Competition Act, 66 Pa. C.S. § 2801 *et seq.*

(b) The MUA shall have no authority to execute any agreement for the purchase of Services (a "Purchase and Sales Agreement") on behalf of any Agency.

6. Covenants of MUA. The MUA hereby covenants and agrees to perform the following obligations:

- (a) Develop solicitation documents and forms of agreement;
- (b) Formulate relevant standards or specifications for the Services for which proposals will be solicited from suppliers of such Services;
- (c) Develop and periodically publish objectives that are targeted to be met or exceeded in the solicitation of proposals for the Services (the "Buying Goals");
- (d) Develop and implement solicitation procedures for the aforesaid Services, provide notices of such solicitation in accordance with § 2308 of the IGCA, and solicit proposals from suppliers;
- (e) Review proposals received from suppliers and determine (i) the proposal or proposals submitted that meet the requirements of the solicitation and (ii) the award or awards that are in the best interests of the Agencies;
- (f) Review proposals received from suppliers and negotiate terms and conditions of Purchase and Sales Agreements for the provision of the Services, which terms and conditions shall reflect the current, published Buying Goals;
- (g) Select, in its discretion, the supplier or suppliers of the Services (whether one or more, the "Supplier") from amongst the suppliers that have submitted proposals, each of which, in the case of electricity procurement under the Program, shall be licensed by the Pennsylvania Public Utility Commission to engage in the retail sale of electricity, and promptly notify the Agencies upon such selection, which notice shall include the material terms and conditions of the proposal selected;
- (h) Obtain the written, binding commitments of the Agencies that desire to enter into Purchase and Sales Agreements with the Supplier, and coordinate the execution by the Agencies and delivery to the Supplier of the applicable Purchase and Sales Agreements; and
- (i) Provide such other services as are necessary for the implementation and operation of the Program.

7. Reliance by MUA.

(a) The Lead Local Government and each Agency hereby expressly agree and acknowledge that the MUA shall be entitled, in the performance of its obligations hereunder, to rely upon the commitment of the Lead Local Government and each such Agency to purchase Services under a Purchase and Sales Agreement with the Supplier (in accordance with Section 11(d) hereof), provided that the conditions set forth in Section 12 hereof are satisfied.

(b) Each Agency retains at all times the discretion as to whether to provide a binding commitment to enter into a Purchase and Sales Agreement pursuant to Section 11(d) hereof. Once an Agency has delivered its binding commitment to the MUA under Section 11(d) hereof, the Agency shall be committed to purchase the Services through the Program, and the MUA shall be entitled to rely upon that commitment, as set forth in Section 7(a) hereof.

8. Compensation of MUA.

(a) The MUA shall not be entitled to any compensation from the Agencies under this Agreement. The MUA's compensation in connection with the Services for the MUA's representation of and consultation with the Agencies shall be exclusively in the form of payments from, and the reimbursement of expenses by, the Supplier.

(b) Notwithstanding anything in Section 8(a) hereof to the contrary, the MUA expressly reserves the right to establish and assess against each Agency and the Lead Local Government a reasonable participation fee for participation in the Program.

9. Lead Local Government.

(a) Designation. The Lead Local Government is hereby designated, and hereby accepts the designation, to act as the lead local governmental entity for the purposes set forth in Section 9(b) hereof or as otherwise permitted or required by Applicable Law (as defined herein), including, without limitation, acceptance of any delegation of governmental power by any local government pursuant to § 2305 and § 2307 of the IGCA.

(b) Responsibilities. The Lead Local Government shall act as the representative of the Agencies, and shall take such other lawful action on behalf of the Agencies, as may be necessary to carry out the purposes of this Agreement; subject, however, to the terms and conditions of this Agreement and Applicable Law. The parties to this Agreement acknowledge and agree that the Lead Local Government may itself be an Agency within the meaning of this Agreement.

10. Joinder of Agencies. Any Agency may join in this Agreement at specific times and during specific periods of time established by the MUA, by the execution of a Joinder substantially identical to the form attached to this Agreement as Exhibit A; provided, however, that no such Joinder shall be effective unless and until the Agency has enacted an ordinance, or resolution in the case of an entity not authorized to enact an ordinance, as may be appropriate, authorizing execution of such Joinder, which ordinance or resolution is substantially identical to the form attached to this Agreement as Exhibit B. Upon execution of an effective Joinder, the Agency shall be deemed to have agreed to all of the terms and conditions of this Agreement.

11. Covenants of Agencies. Each Agency (including, for purposes of this Section 11, the Lead Local Government) hereby covenants and agrees to perform the following obligations:

(a) Release. Each Agency shall provide to the MUA an executed release, in form and substance as reasonably determined by the MUA, authorizing prospective suppliers of

Services to access the Agency's accounts with the Agency's electricity generating company (in the case of electricity procurement under the Program) for the purpose of determining, *inter alia*, electricity usage with respect to each such account; provided, however, that execution of such release shall not constitute the Agency's binding commitment to enter into a Purchase and Sales Agreement with the Supplier.

(b) Other Information. Each Agency shall provide such other information to the MUA as the MUA shall reasonably request in connection with the performance of its obligations hereunder, including, without limitation, such information as may be necessary or desirable in the solicitation of proposals from suppliers, the development and publication of Buying Goals, and the preparation or negotiation of a Purchase and Sales Agreement with the Supplier.

(c) Approval of Buying Goals. Each Agency shall review any Buying Goals published by the MUA. In the event that the Agency disapproves of the Buying Goals, it shall notify the MUA of its disapproval in writing, stating the reason for such disapproval.

(d) Binding Commitment. In the event that an Agency desires to enter into a Purchase and Sales Agreement with the Supplier, the Agency shall (i) provide to the MUA a written instrument, in form and substance reasonably satisfactory to the MUA, that sets forth the Agency's binding commitment to enter into a Purchase and Sales Agreement with the Supplier, subject to the provisions of Section 12 hereof, and (ii) cause such commitment to be duly approved by appropriate governmental action.

(e) Acceptance of Proposal. In the event that (i) the Agency has provided its written commitment pursuant to Section 11(d) hereof, (ii) proposals for any Services under the Program have been solicited, received and reviewed by the MUA, and (iii) the MUA has selected the Supplier, the Supplier's proposal shall be deemed accepted by the Agency, and the Agency shall be bound by the terms and conditions of the Purchase and Sales Agreement negotiated by the MUA and the Supplier, subject to the provisions of Section 12 hereof.

(f) Restriction on Bidding. In the event that (i) the Agency elects not to provide a written commitment pursuant to Section 11(d) hereof, (ii) proposals for any Services under the Program have been solicited, received and reviewed by the MUA, and (iii) the MUA has selected the Supplier, the Agency shall neither independently solicit bids or proposals for, nor enter into any agreement for, the provision of such Services for a period of one hundred twenty (120) days after the date on which proposals must be received by the MUA, as set forth in the applicable request for proposal.

(g) Purchase and Sales Agreement. If the Agency has provided its binding commitment pursuant to Section 11(d) hereof and the Supplier's proposal has been accepted pursuant to Section 11(e) hereof, then, subject to the provisions of Section 12 hereof, the Agency shall execute a Purchase and Sales Agreement with the Supplier on the terms and conditions as negotiated and obtained by the MUA. Upon execution of the Purchase and Sales Agreement with the Supplier, Agency shall be bound by the terms and conditions thereof. Without limiting the generality of the preceding sentence, the Agency shall be responsible for payment of all

charges provided in such Purchase and Sales Agreement, including taxes if applicable, and shall make all payments thereof directly to the Supplier.

12. Condition of Agency's Obligation. The MUA shall develop and periodically publish the Buying Goals for the Services identified for cooperative purchasing pursuant to this Agreement, and shall ensure that the standards set forth in the current, published Buying Goals are included in the applicable Purchase and Sales Agreement. The obligation of an Agency (including, for purposes of this Section 12, the Lead Local Government) to execute any Purchase and Sales Agreement shall be subject to the condition that each of the standards set forth in the current, published Buying Goals for the Services has been agreed by the Supplier and is included in the applicable Purchase and Sales Agreement.

13. Compliance with Law. The MUA, the Lead Local Government and any Agency that joins in this Agreement shall comply at all times with Applicable Law in the performance of their obligations hereunder. The term "Applicable Law" shall mean any federal, state or local law, statute, ordinance, code, order, rule or regulation governing the performance by any party hereto (including any joinder party) of its obligations hereunder, including, without limitation, the IGCA and Chapter 19 of the Code.

14. Compliance with Utility Regulation. The Supplier shall be obligated to comply with all laws governing the furnishing of the utility product or service in the terms and conditions of the Purchase and Sales Agreement.

15. Representations and Warranties.
