

**ORDINANCE 2009-01**  
**TOWNSHIP OF RADNOR**

*BE IT ORDAINED AND ENACTED THAT* §5-38 of Article VI of the Radnor Township Administrative Code (the “Code”), relating to Boards, Commissions, and Authorities, is hereby established as follows:

§5-38. Citizens Communications Council (the “Council”).

A. Membership. The membership of the Council shall consist of nine registered electors, one of whom shall be the supervisor of the Radnor Township educational access channel, or his/her designee, or another individual who may be appointed by the Radnor Township School District (the “District”), and one of whom shall be appointed by Radnor Studio 21 (“RS21”) or its successor organization.

B. Term of office. The term of office for all members of the Council who are appointed by the Board of Commissioners (the “Board”) shall be five years; provided, however, that, notwithstanding other provisions of the Code, the terms of office for members who are representatives of the District and RS21 may be for indefinite terms.

C. Duties. The Council shall:

- (1) Advise the Board and township staff on policy and administrative matters relating to cable television, telecommunications, wireless facilities, and new and emerging communication technologies.
- (2) Review and, as may be directed by the Board, negotiate cable franchise, right-of-way, and other communication agreements and make appropriate recommendations.
- (3) Recommend appropriate policies and procedures governing the use and operation of the Township’s public, educational, and governmental television access channels.
- (4) Evaluate applications and plans submitted for the placement of cell towers, distributed antenna systems, micro-cell, and other communications facilities, including all related equipment, in the public rights-of-way and on township-owned property and make appropriate recommendations.
- (5) Evaluate applications and plans submitted for the placement of cell towers, distributed antenna systems, micro-cell, and other communications facilities, including all related equipment, on private property and, if appropriate and necessary, make recommendations to the Zoning Hearing Board. Applications seeking approval under this subsection shall conform to the rules of the Zoning Hearing Board.
- (6) Consider complaints dealing with cable television and other communication issues in the township and make appropriate referrals and recommendations.

**ORDAINED AND ENACTED** this 5<sup>th</sup> day of January, 2009.
