The 2021 Arbor Day Celebration took place at Friends of Radnor Trail Park on Friday, April 30th!

Radnor Township was celebrated once again for being designated a Tree City USA for the 29th year!

Special Thank You to the Radnor Conservancy for their continued leadership and efforts towards the Township's tree preservation and reforestation! This year, we are grateful for their contribution of 12 new trees!

We also want to thank Kayla Kehres, Forester from the Department of Conservation & Natural Resources/Bureau of Forestry/William Penn Forest District, for joining us to acknowledge our award and to plant the new trees at the Park!

**Thank you for participating in
our 2021 Arbor Day Celebration!**

Plant a tree today for tomorrow's future!
