

Holiday at The Willows

Sunday, December 7, 2014

2:00pm to 5:00pm

Holiday at The Willows really ended 2014 with a bang! This year's event featured crafts with the Radnor Township Girls Scouts, music, Boy Scouts selling their holiday wreaths, balloon twisting, live entertainment, refreshments, and a Fireworks Finale!

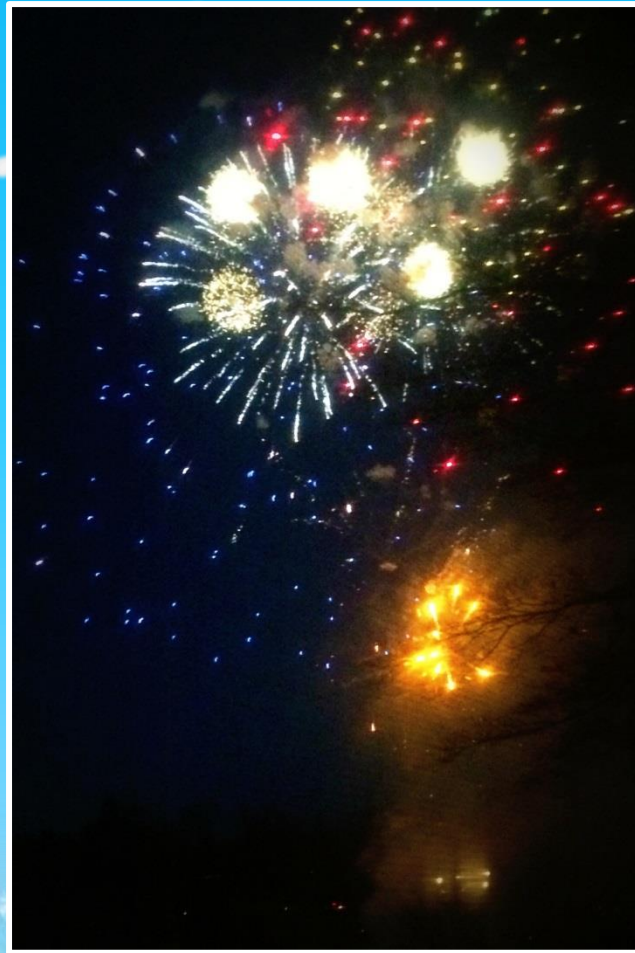

This event is so popular that even Santa Claus himself stops by! Children had the opportunity to sit on Santa's lap and take home a picture!

The event's entertainment featured Kyle and Kelly's Magical Illusions! Their magical show including tricks that left the audience astounded! The sensational Al Grout performed after Kyle and Kelly! Al performed the most difficult and entertaining juggling being done today. His fast paced show and witty humor offered top notch entrainment to our audience!

The night ended with a fantastic fireworks finale over the Willows Pond!
