**A Taste of Britain  
served delicate  
tea sandwiches,  
sweet pastries,  
and a variety of  
elegant teas that  
were fit for a  
princess!**

**For the entertainment portion of the event, Anna and Elsa put on a lovely show with participation from the little princesses in the audience!!**

**The beautiful princesses that attended were able to meet the stars of the show and have their picture taken!**

Everyone had their chance to take home a caricature of themselves as well!

**The little princesses also had  
fun creating  
their own personalized  
Olaf ornament!**

**Thank you to our Recreation & Community Programming Department and volunteers from Radnor High School for hosting such a wonderful event for our community!**

**Thank you to Christina Ridge for capturing beautiful photos of the princesses (and their mothers/grandmothers!) looking so charming in their gowns & elegant dresses....**
