Make a Contribution, Make a Connection Initiative

This holiday season our department was proud to partner with the Women's Resource Center (WRC), the Radnor Township Civic Association (RTCA), and the Wayne Senior Center. These wonderful organizations do so much for our community and we look forward to working with them in 2021. Thank you to all who participated in our *Make a Contribution, Make a Connection Initiative!*

We are so grateful to the community for their donations of gift cards and items for local women and families in need. Thank you also to the Radnor Township Recreation Department and Radnor Township for including WRC in their Make a Contribution, Make a Connection Initiative this holiday season. This photo is of our Executive Director Cheryl Brubaker sorting the donated items! Especially this time of year, especially this difficult year, it is heartwarming to have had the kind of caring response to women and families in need. We are all in this together! Thank you. Today we distributed holiday meals to over 105 seniors! Thanks to the generosity of community members, @radnorrecreation and Radnor Troop 284, the bags included beautiful handwritten notes, cozy socks, puzzle books/puzzles and a fresh holiday wreath! Thank you for helping us spread holiday cheer to the seniors in our community! #wayneseniorcenter #waynepa #radnorpa #radnortownship
