Radnor Township Community

Over the past week Radnor Police Officers have responded to residential found burglaries in the Wayne section of our Township. We are committed to the safety and security of all who live, work, and pass through our community. Our Patrol Division and Detective Bureau are working diligently to investigate these incidents and provide additional patrols to our neighborhoods.

Further, we are asking you the public to assist in keeping a watchful eye for suspicious persons and vehicles throughout our area while taking note of the burglary prevention tips we have provided below. Radnor Police can be contacted 24/7 by calling 911 for both emergency and non-emergency assistance.

If you see something, say something

Burglary Prevention Tips

- Remember to lock doors, windows, and garages when leaving your home
- Do not attach labels with your address to your keys in case they are lost
- Do not leave keys or valuables in your car
Always lock your car
- Install security cameras which can record on the exterior of your home
- When away for an extended period of time have the Post Office stop delivery and hold your mail
- Avoid posting vacation plans or vacation photos while you are away on social media
- Install lighting with motion sensors around your property to brighten the perimeter
- Research alarm systems to find one which is appropriate for your home
- Be sure to register and then arm your alarm system when you are away from home
- Take photos/video of your valuables and make note of any special engravings
- While on vacation make your home look as though it is being lived in by placing lights on timers
- Build a relationship with your neighbors and ask them to keep an eye on your home while you are away

While away for an extended period of time sign up to have your home checked by Radnor Police Officers through our Vacant House Watch program

You can sign up online at radnor.com
or in person at the Radnor Police station
