Increase in Thefts from Mailboxes

Radnor Township Community,

Since the beginning of the year, Radnor Township Police Department has responded to several reports of stolen mail, particularly personal checks, from mailboxes across the Township. In each case, the checks were later cashed under different names than the owner. The Radnor Police Detective Unit and the United States Postal Inspector are actively investigating each incident.

If you see something, say something. Report all suspicious activity by dialing 9-1-1.

Here are a few ways you can strengthen the security of your mailbox:

- Hand your outgoing mail to your Postal Carrier or take to Post Office directly for delivery
- ***Do not*** leave your mail inside the mailbox overnight
- If applicable, pay bills online
- If you are expecting and did not receive a check, or other valuable property, contact the issuing agency immediately for verification
- ***Do not*** send cash in the mail
- Place a security camera nearby the mailbox
