

## 2024 LEAF COLLECTION SCHEDULE

Each fall the Township’s Public Works Department collects leaves from residential properties located on all Township, State, and Private roads. Leaves will be collected two times in each district. The second collection will begin after the first collection has been complete in all three districts. **In 2024 the Leaf Collection will begin in District 1.**

	District 1	District 2	District 3
1 <sup>st</sup> Collection	November 4	November 11	November 18
2 <sup>nd</sup> Collection	December 2	December 9	December 16

*Please note: The leaf collection schedule is subject to change in cases of inclement weather.*

### Leaf Collection Guidelines

- **Please have leaves out on your street by the first day of your District’s Leaf Collection Schedule as listed above**
- **Do Not Put Leaves out on the street prior to 7 days before the above collection dates**
- Residents who live on street names listed in **CAPITALS on the Districts Streets List MUST** place their leaves in the gutter line of their street. Leaves should be piled so they do not impede the cart way. If **SOME** leaves must remain behind the curb (so that the cart way is not impacted) township crews **WILL** remove leaves from that location.
- Residents who live on streets listed in regular type on the Districts Streets List are required to place their leaves on their property and **OFF** the street (behind the curb). The township crews will remove the leaves from that location.
- All tree branches and tree limbs must be removed from leaf piles.
- Because of State regulations, **bagged leaves will not be collected** by Radnor Township

Solid Waste Collection Division during this collection.

- All leaves to be collected must be placed according to the guidelines described and will be picked up in bulk. There will be no exceptions!
- **Special note: Please do not park any motor vehicle on top of leaf piles. A hot engine could cause the leaves to catch fire.**
- **Note to Landscapers:** It is illegal to dump compacted loads of leaves on Township streets. Any contractor caught dumping compacted leaves will be subject to a \$300 fine for illegal dumping on Township right-of-way.
- **THERE will be NO YARD WASTE COLLECTED THE MONTH OF DECEMBER.**

### Daily Leaf Collection Schedule

The list of streets that leaf crews have completed each day will be updated on the Completed Street List found on the Township website. [www.radnor.com](http://www.radnor.com).

The last curb side yard waste for 2024 will occur on November 25. There will be no yard waste collection the month of December. Pick up will resume on January 6, 2025. During the months of January through October, leaves may be bagged in biodegradable paper bags and placed at the curb on Mondays (exception of holiday weeks) as part of the yard waste recycling program. No more than 10 bags of leaves should be put out for collection per week and each bag should weigh no more than 30 lbs.
