Radnor Day Camp Performance Evaluations 2016 -2022

Thank you and your staff for offering a positive and fun environment. We are blessed to have such a fantastic opportunity for our children in our community. All 3 of my kids loved RDC and all three have said numerous times that they can't wait to come back next summer!

My rising 1st grader had the "best summer ever" and can't wait till next year!!

Jean and the camp counselors were wonderful and went far beyond their job descriptions. My rising 1st grader had the "best summer ever" and can't wait till next year!! Thank you to the entire staff on a spectacular job!!

I don't have any suggestions but lots of compliments! The camp is well organized with a large variety of activities; communication with parents are great and the staff are responsive to questions in a timely manner. The overall value is definitely the best in this area.
