

# Santa's Delivery

## Event Summary

Santa's Delivery Event -

Sunday, December 3, 2023

Gift Drop off begins Wednesday November 1

Santa's Delivery is nothing short of AMAZING in Radnor Township! Santa makes special stops at your home spreading holiday cheer and bringing gifts to members of the community who pre-register in advance. Participants also make special contributions to those in need within our community through various charities. Santa comes in style, blasting his way through Township neighborhoods with a dazzling motorcade of flashing lights and sirens aboard a fire engine and with police escorts! Everyone shares in the awe and excitement with a special greeting from Santa Claus!
