

RADNOR DAY CAMP IS NOW HIRING

NATURE EXPLORATION & ADVENTURE COORDINATOR

Join our talented and professional team in a role where you will make a life-changing difference for children in our community by inspiring them to make new discoveries, creating lasting memories and experiences, and encouraging them to grow! If you are looking for a fast-paced and fun summer employment opportunity where you can enhance your professional leadership skills, express creativity, and work within an inclusive and diverse team, then look no further than Radnor Day Camp!

JOB DESCRIPTION:

Responsibilities of the Nature Exploration & Adventure Coordinator include but are not limited to:

- Planning, implementation, creation and overall administration of a nature/outdoor education based specialty activity period that includes building environmental stewardship through a variety of perspectives and hands-on activities.
- Developing an age-appropriate curriculum to meet the physical, social, and emotional needs of all campers (grades 1 through 9).
- Serving as a positive role model for staff and campers at all times.
- Possessing and displaying a contagious and vibrant energy that inspires others to learn, grow, and engage throughout the duration of the summer.
