Re: Town Hall Meeting on The West Wayne Preserve, Proposed Stormwater Management Project and the Radnor TAP Trail

Dear Neighbor,

A Town Hall Meeting is being held to discuss the use of the West Wayne Preserve and Friends of the Radnor Trail Park for stormwater management and connection to the Radnor Trail.

The consultant from Meliora Design will be on hand to present proposed plans for creating stormwater management facilities using the West Wayne Preserve and portions of Friends of the Radnor Trail Park. Also present will be a representative from Simone-Collins Landscape Architects, to present the plan for the Radnor TAP Trail, which connects to the Radnor Trail through the eastern portion of the West Wayne Preserve.

The Township wishes to present these proposed plans to our neighbors, answer your questions, and receive your valuable feedback. Aside from the consultants, present at the meeting will be Jake Abel, Ward 6 Commissioner; Jack Larkin, Ward 1 Commissioner & Vice President; Robert A. Zienkowski, Township Manager; and Township staff. Please join us:
