

Arbor Day PECO Initiative & Free Tree Giveaway!

PECO is partnering with the Arbor Day Foundation to provide residents with trees to plant strategically around their homes for environmental impact and energy savings.

This year marks PECO's 12th anniversary as an Energy-Saving Trees partner. Radnor residents can reserve their trees now at www.arborday.org/peco.

Trees must be picked up on Friday, April 26 from 10am to 12pm at Warren Filipone Park (400 S Devon Avenue, Wayne).

Warren Filipone Park Tree Maintenance Pilot Program

While visiting Warren Filipone to pick up your new trees check out the beautiful park whose trees were recently pruned, de-vined, & the dead trees onsite were injected and removed.

This showcase project was initiated by the Shade Tree Commission and authorized by the Board of Commissioners in 2023.

ARBOR MONTH
