Re: NOTICE OF INTENT TO AWARD

ROOF RENOVATION PROJECT AT THE RADNOR MEMORIAL LIBRARY

**CONTRACT #B-23-009C** 

Dear Mr. Castillo:

This letter serves as notification to you, that as the apparent low and responsible bidder for the above contract, and to follow the requirements in Radnor Township's ("Township") Ordinance 2022-08 Responsible Contractor Requirements for Township Contracts ("Ordinance"), you are required to complete and return the following:

- Subcontractor List containing the names of subcontractors that will be used for the referenced
  project, their addresses, and a description of the work each listed subcontractor will perform on
  the project.
- Subcontractor Responsibility Certifications for all listed subcontractors. (Attached)
- If no subcontractors will be utilized on the project, please note "NOT APPLICABLE" on the Subcontractor Responsibility Certificate and Attachment 1.

These documents must be returned to the Township (to Melissa Conn, Administrative Services Coordinator, at mconn@radnor.org by close of business on **Wednesday, September 11, 2024.** 

Bidders are reminded that all craft labor that will be employed by the Contractor for the Improvements have completed the OSHA 10-hour training course for safety established by the U.S. Department of Labor, Occupational Safety & Health Administration. If the Contractor is a prime contractor, it shall also ensure that at least one person on the Improvements has completed the OSHA 30-hour construction training course established by the U.S. Department of Labor.

This notice of intent to award is conditioned upon a determination that the subcontractors are qualified under the Ordinance and the Subcontractor Responsibility Certification is provided demonstrating

compliance with the requirement for craft labor workers as stated above. Any award for this contract is conditioned on the issuance of a written Contractor Responsibility Determination.

Sincerely,

Melissa Conn

**Administrative Services Coordinator** 

Melissa Conn

**Enclosures** 

cc: Engineering Department

## **SUBCONTRACTOR RESPONSIBILITY CERTIFICATION**

| (4)              | The Subcontra                  | ctor has not defaulted on any project in the p   | past three (3) years.   |  |  |
| (5)              |                                | ector has not had any type of business, contra<br>evoked or suspended in the past three (3) yea                                      | =   |  |  |
| (6)              |                                | octor and its owners have not been convicted e past ten (10) years.  | of any crime relating to the contracting  |  |  |
| (7)              | its contracting and hour laws, | business, including, but not limited to, licens  | een found in violation of any law applicable to ing laws, tax laws, prompt payment laws, wage others, where the result of such violation was of penalty in the amount of \$1,000 or more. |  |  |
| (8)              |                                | actor will pay all craft employees that it emplo<br>ge benefits as required under applicable feder                                   |   |  |  |
| (9)              |                                | r that will be employed by the Subcontractor ir training course for safety established by the  |   |  |  |

Safety & Health Administration. If the Contractor is a prime contractor, it shall also ensure that at least

- one person on the Improvements has completed the OSHA 30-hour construction training course established by the U.S. Department of Labor.
- (10) The Subcontractor will employ craft employees in all classifications and individual trades required to successfully perform the work related to the Improvements.
- (11) The Subcontractor participates in a Class A Apprenticeship Program for each separate trade or classification in which it employs craft employees and shall continue to participate in such program or programs for the duration of the Improvements.
  - (a) For purposes of this section, a Class A Apprenticeship Program is an apprenticeship program that is currently registered with and approved by the U.S. Department of Labor or a state apprenticeship agency and has graduated apprentices to journeyperson status for at least three (3) of the past five (5) years. This may be an apprenticeship program subject to the Employee Retirement Income Security Act of 1974 (ERISA), or a non-ERISA program.
  - (b) To demonstrate compliance with this section, the Subcontractor shall provide a list of all trades or classifications of craft employees it will employ on the Improvements and documentation verifying it participates in a Class A Apprenticeship Program for each trade or classification listed (Attachment 1).
- (12) The Subcontractor has all other technical qualifications and resources, including equipment, personnel and financial resources, to perform the referenced contract, or will obtain same through the use of qualified, responsible subcontractors.
- (13) The Subcontractor will maintain all qualifications, resources and capabilities referenced in this Subcontractor Responsibility Certification (hereinafter the "Certification") throughout the duration of the project.
- (14) The Subcontractor shall notify the Contractor and Owner within seven (7) days of any material changes to all matters attested to in this certification.
- (15) The Subcontractor understands that this Certification shall be executed by a person who has sufficient knowledge to address all matters in this Certification and shall include an attestation stating, under the penalty of perjury, that the information submitted is true, complete and accurate.
- (16) The Subcontractor shall ensure that at least seventy (70) percent of the craft labor workers employed on the Improvements shall be comprised of either journeyperson workers who have successfully completed a Class A Apprenticeship Program as defined in item 11 of this Certification or apprentices registered in such program, in the same trade or craft for which the workers are employed on the Improvements.

The Subcontractor acknowledges that the execution of this Certification required by Ordinance 2022-08 (hereinafter the "Ordinance") shall not establish a presumption of contractor responsibility and the Contractor and Owner may require any additional information it deems necessary to evaluate a firm's status as a responsible contractor, including technical qualifications, financial capacity or other resources and performance capabilities.

If the Subcontractor has ever operated under another name or controls, is controlled by another company or business entity or in the past five (5) years controlled or was controlled by another company or business entity, whether as a parent company, subsidiary or in any other business relation, it shall attach a separate statement to this Certification that explains in detail the nature of any such relationship and shall provide any additional information as may be required from such an entity if the relationship in question could potentially impact contract performance.

| I state that   | ("Subcontractor") understands and acknowledges                 |
|--|--|

<sup>\*</sup> A Class A Apprenticeship Program is an apprenticeship program, which is currently registered with and approved by the U.S. Department of Labor or a state apprenticeship agency and has graduated apprentices to journeyperson status for at least 3 of the past 5 years. Add additional sheets if needed.

<sup>\*\*</sup> At least 70% of the craft labor workers employed on this project shall be comprised of either journeyperson workers who have successfully completed a Class A Apprenticeship Program or apprentices registered in such program, in the same trade or craft for which the workers are employed on the project.
