Dear Neighbors of Odorisio Park and Radnor Township Residents,

On behalf of Radnor Township, we are sending this letter in an effort to provide you with more information related to the upcoming meetings to discuss comprehensive park improvements at Odorisio Park located at 418 Fairview Road, Wayne.

There will be a Special Parks & Recreation Board Meeting taking place on Thursday, May 12, 2022 at the Radnor Township Civic Association located 248 Highland Avenue, Wayne at 6:30 PM. This is an exciting opportunity to hear from members of the community particular park improvements they would like to see along with collaborating in the planning effort. We encourage anyone who lives near the park, avid users, and all interested residents to attend the meetings and discuss the project. Your input and suggestions are integral to the planning process! The park areas subject to potential improvements include, but are not limited to, the parking lots, comfort station, playground, stormwater management, and wooded area.

Discussions will also continue at our monthly Parks & Recreation Board Meetings that take place at the Radnor Township Building 301 Iven Avenue, Wayne at 6:30 PM the second Thursday of each month - there are exceptions to dates and locations along with additional special meetings that may be scheduled such as the one above; please visit our website at www.radnor.com for the full schedule and updates. A project webpage is also available for updated information and can be found at www.radnor.com, then by clicking to Parks & Recreation, then Parks & Trails Projects, then Odorisio Park Improvements.

Additional Parks & Recreation Board Meeting Dates remaining in 2022 include:

Thursday, June 9

Thursday July 14

August (no meeting)

Thursday, September 8

Thursday, October 13

Thursday, November 10

Thursday, December 8

Moving forward, we will be communicating electronically along with providing informational signage at the park near the comfort station. Please consider joining our email list to receive more information, to keep up to date on additional special meetings that may be scheduled, and to forward comments and questions to: Tammy Cohen, Director of Parks & Recreation, at tcohen@radnor.org, or call 610-688-5600, x 141.

A few quick reminders:

Basketball Court Improvement Project

A much-needed project is underway and is anticipated to take place through June to renovate the park basketball court (all work schedules are subject to change based on weather and other variables). This project includes a complete restoration of the basketball courts including new surfacing and equipment, sideline seating, safety fencing, and court protection. This project was approved by the Radnor Township Board of Commissioners and funded by a 2019 bond that allocated capital funding for these specific park improvements. The basketball courts are closed until further notice, and we sincerely ask that you pay attention to the established construction fencing boundary and corresponding signage for your safety.
