Hi Chris -

We wanted to say thank you to the police department. We went on a much needed vacation (it has been a difficult time), and I sent in a vacant house form. We received motion alerts for our security cameras and were so pleased to see that the police came at least twice to check on the property. What a wonderful service to provide - and it allowed us to enjoy our vacation knowing the police were keeping an eye out. Thanks to all at the department.

Hoping you are well...

Lieutenant Pinto,

I really appreciated your patience and understanding when you returned my call on Tuesday, October 1st regarding my son's accident in May of this year. Your guidance and willingness to call Rose Marie Johnson started the ball rolling. While it took persistence and repetitive explaining she did pay the deductible so we could then pay the auto body shop.

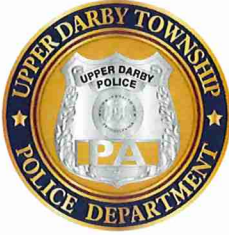

I truly believe she would have continued to ignore our letters, texts, and phone calls if you hadn't called her.

Many thanks for all you and your fellow officers do to serve and protect. This may have been a small thing to most people, but it meant a lot to us. Thank you!

All the best,

Mary : R.J. Wren

Dear Superintendent Flanagan, *Chris*

I want to extend our heartfelt gratitude for the exceptional support your department provided during the difficult time following Officer Arty Erle's passing. Your officers' professionalism and dedication helped ease the burden on our department and family during such a painful day.

We are proud of how Officer Erle's friends and colleagues came together to show their love and respect, and I know Arty was looking down proudly on the remarkable display of friendship and professionalism.

A special thank you to:

- Springfield Police: For expertly managing traffic from the church to Officer Erle's home and the cemetery.
- Marple Police: For assisting with the funeral procession to St. Peter and Paul Cemetery.
- Radnor Police: For escorting the family both during the viewing and funeral, and ensuring their safe arrival at the cemetery.
- Corporal William Carter from Collingdale: For the beautiful bagpipe performance at the church.

Your department, from appearance to conduct, embodies the highest standards of professionalism, which reflects directly on your leadership. We deeply appreciate your support and commend you for the excellence of your officers.

Thank you again for your help during this challenging time.

With sincere appreciation,

Dear Chief Flanagan and Chief Maguire:

My name is Craig Sabatino and I reside at Aberdeen Terrace in Wayne, Pennsylvania.

I live there with my life partner, Victoria Stonelake, and her 7 year old grandson, whom we have been raising for over five years.

Jaxon, is a good, growing and "learning" young man (sometimes the hard way). Jaxon was using the "steam shower" the other night and neglected to turn the steam off and close the shower door when he was done. This caused the smoke detector to activate, which in turn, called our security company who had a miscue and called both your departments for emergency.

We apologize for this "false alarm" knowing we could be putting you/others in harm's way responding to a false alarm and, in addition, possibly taking you away from addressing a real emergency.

Please accept the enclosed donation and lunch to be provided as a token of our apology and appreciation for all you and your departments do.

Thank you for keeping my family and all the families in the community safe and secure.

Respectfully,

Craig J. Sabatino
