

# Home Fire Escape Plan

Use the graph to draw your home's floor plan and plot your home fire escape routes.

## Tips for creating your home fire escape plan and practicing your 2-minute drill:

- Everyone in your household should know *two* ways to escape from each room in your home.
- Smoke is dangerous. Get low and go!
- Decide where to meet once you get outside:

---

- Get out and stay out. Never go back inside for people, pets or things.
- If a fire starts, you may have less than *two minutes* to get to safety. So time your fire drills and find out: what's your escape time?

---

**If a fire starts in your home, get out to safety, then dial 911.**

You can keep your family safe with 2 simple steps.

*Practice your 2-minute drill.*

*Test your smoke alarms monthly.*
